

‘FOLLOW THE LEADER’

If you are seriously considering applying for special school headship in the near future then our ‘Follow The Leader’ programme may be just the training opportunity you need!

You’ve probably done the NPQH, the SWALSS leadership course or another well regarded preparation for headship. ‘Follow The Leader’ provides you with the final piece in your training jigsaw:

- ❖ A unique opportunity to do **an internship placement at a high profile and successful non-educational establishment**. Think what learning you could share by spending up to a week with top leaders in a national theatre company, a busy hospital, an international bank or a five star hotel!

The ‘Follow The Leader’ programme is available to senior leaders in special schools across the South West region. The cost of the programme is supported by the National College for Teaching and Learning (NCTL) and is offered to schools **FREE OF CHARGE**.

Please see the ‘Follow The Leader’ Information Sheet for full details of the programme and how to apply.
